Just a note to thank you for a wonderful day at the South County Civic Center in Delray Beach. As a non-profit, we have to be very selective with our participation with respect to funding and staff time. Because your expo was such a success last year, I wanted to make certain we participated this year and the event was even better! Very good attendance and genuinely interested attendees and a very nice variety of vendors. The breakfast and lunch offerings were much appreciated. You and your team did an excellent job and I look forward to the next Senior Lifestyle & Healthcare Expo.
